Dear Davina,

Is it possible to please request a copy of the as-built scorecard spreadsheet from GBCA for our records? I have checked the online portal and can't seem to find it.

Many thanks.

Kind regards,

Dear Michelle,

## **Certified rating of Western Sydney University Bankstown City Campus Development**

### **6 Star - Green Star - Design & As Built v1.3**

On behalf of the Green Building Council of Australia (GBCA), I'm delighted to confirm that **Western Sydney University Bankstown City Campus Development** has been awarded a 6 Star - Green Star - Design & As Built v1.3 certified rating.

This represents 'World Leadership' in environmentally sustainable building practices.

A Green Star rating is much more than a certificate or a logo. A Green Star rating showcases leadership in sustainability, creates brand value, encourages innovation, creates new revenue streams, secures stakeholder confidence and mitigates risk.

To access your Green Star certificate and use the logos, simply log into the [Green Star Project Manager](#) and select your project, and then choose "Project Files". You'll be able to download these directly. Please make sure you refer to the [Green Star Marketing Kit and Style Guide](#) when using these logos.

Your project team worked hard to achieve this Green Star certification, and we would love to help you promote it. Please contact us at [marketing@gbca.org.au](mailto:marketing@gbca.org.au) to discuss marketing and promotional opportunities available.

You can stay up to date with GBCA news and projects by following our social media accounts on [Facebook](#), [Twitter](#), [LinkedIn](#) and [Instagram](#).

Michelle, once again congratulations on your team's outstanding achievement. Your work makes an important contribution to a better, more sustainable Australia for us all.

Yours sincerely,

Davina Rooney
